

EXTENDED PLAY PROGRAM

This program provides children with additional time to play and learn. Children may stay for one, two or three hours beyond their class dismissal.

Extended Play includes: family-style snack time, stories, baking, art, drama, games, supervised playground recreation and occasional enrichment offerings provided by outside vendors.

We will provide a healthy, nut-free snack. Because of the extended hour, we now incorporate a rest/quiet time for the children. If your child still naps, we ask that you please provide a sleeping mat.

Extended Play periodically hosts a calendar of 'Special Activities' related to seasonal events and holidays.

Drop-Ins for Special Activities, as well as emergency drop-ins are welcomed, space permitting.
