## Summer Fun @ CPP

Offers a play-based approach to summertime, where having fun and making friends are the most important parts of our day. Children enjoy a relaxed schedule with a variety of daily activities: arts & crafts, cooking, stories, music, movement & dance, science experiments, water play, and guest performers each week. Weekly themes guide the daily discoveries and play, and provide a fresh experience for returning campers. The camp is staffed by classroom teachers at The Community Preschool of the Palisades.
