This program provides 1 to 3 hours of extra time to play with classmates. It is open to **all children** enrolled at The Community Preschool of the Palisades. Children in the Tadpole and Polliwog classes may attend all available days of Extended Play regardless of the number of days they attend preschool. Children will be accepted on a first-come, first-served basis. Enrollment is by the semester and your child should attend on the same day(s) each week. There will be no make-up days for absences due to illness, play dates, etc.

Please check the box next to the plan(s) you would like to register for. If the option you desire is not included in the packages below, please contact the Preschool Director and we will be happy to accommodate your specific needs. Maximum enrollment is dependent on the youngest child enrolled.
